

David Martin, J. Wilson, C. H. Meeks and W. A. Shepard, Henry Chapman, Mr. Hayes, J. Taylor, J. F. Parsons, Eugene P. Mullard, B. Rode, J. P. Higgins, James N. Evans, John M. L. and others. The author of "It is I" and "It is She," and lady, J. V. D. Verplanck, Thomas Gilbert, James Walker and lady, J. W. Wales and lady, Mrs. E. Harry, and others. The author of "The Gondolier," and many more, child and servant, and 29 in the steamer.

B. DODGE & CO'S Tropical Dispensary and Office.—Amenity is compounded by a method of compound which is different from the usual tampering and uncertain methods of treatment, solving the most alarming cases in a few hours, either the nursing infant or adult. Wholesale agents, Haviland, Harrel & Risley, 39 Warren street, Boston, Mass., 120 Broadway, 12th and 13th stories, both tenanted by druggists, and apothecaries. To the public!—Those afflicted with chronic diarrhoea, or who have failed to find relief from other sources, can receive medical attention and advice gratuitously, on applying to Dr. A. at their office. WM. B. DODGE & CO, Proprietors, 32 Beckman street.

Brown's Argument's Remedy for Dysentery diarrhea, cholera infantum, and kindred diseases.—The afflicted may depend upon immediate relief. For sale by JOHN MEAKIN, 49 Broad street.

Should this Meet the Eye of the Hon. Robert T. Walker, he is requested to call immediately, or send, at No. 37 West Twenty-second street, on important business.

Root takes Daguerreotypes and Photographs for Barnum's Family of Beauty at one third off his usual rates. Root's elegant rooms are at the corner of Broadway and Franklin street, where photographs are taken every day.

Pianos.—Horace Waters, 333 Broadway, has the sole agency for the sale of T. Gilbert & Co's, Harriet & Company, Woodward & Brown's, and Jacob Gottschalk's Pianos. Boston, New York, and Paris, which can be obtained in the celebrated modern improved Horace Waters' pianos, with over strings. Prices less than he had elsewhere, and which defy competition. Pianos to rent, and rent allowed on purchase. Pianos to be sold on monthly payment. Address, T. G. & H. W. Smith, 125 Broadway, 12th and 13th stories, under the same temperature. New 6½ octave pianos, with iron frames \$150. Second hand pianos from \$30 to \$40.

New Music.—Jenny Marsh, of Chevy Valley, 12th and Chambers Streets, New York, has a new composition, "The Boy." G. L. Morris, Esq.; music by J. H. Barnes. Pianos 25 cents. A little girl, both words and music charming for their simplicity. The melody is exceedingly pretty, and easily caught. It must soon be as popular as "Our Boys," by the same composer.

HORACE WATERS, 333 Broadway.—We are now prepared to show a large and complete assortment of the fall style of straw bonnets, consisting in part of the Florence, Pedale, Egg, Umbrella and split straw bonnets, all of which are made in the most elegant manner, and will be sold at the lowest market price by the same.

A. LELAND & CO., 171 Pearl street.

Green's Hair and Furnishing Store, No. 1 As or House.—Attention is invited to the superior articles in the general line of hair and furniture, and every article of supply and house, silk and merino Little Thread, Shaker, angel, under shirts and drawers, ties, cravats, gloves, half hose, gold shirt studs and sleeve buttons, mounted and otherwise. Toilet articles, &c. Imported for the summer trade. The prices are moderate, and the assortment unequalled.

Beauty of the Season.—Complete Zephyr cambric suits, \$10. It appears impossible that a suit of fine woolen cambric should be sold for \$10; but it is even so. S. H. EVANS, of 66 and 68 Fulton street, is the only man that can do it.

Sunday Boat for Albany and Troy.—The BIRD Captain, Hascor, leaves the foot of Robinson street this evening at 6 o'clock. Passengers are forwarded to Saratoga and all points North and West.

Defence Salamander Seats.—Robert W. PARSONS is the sole manufacturer in the United States of Defence locks and crew bars. Depot 122 Pearl street, one door below Maiden street, one

For Protection against Mosquitoes and all insects.—Hastings' patent impervious canopy and net, combining beauty, cheapness, and entire security against insects without obstructing the circulation of air. It is constructed so that it will fit any bedstead, and the net is so arranged that it will contract and expand by means of rubber braide, so that it will fit securely at all times. All bedsteads, the larger after being treated with poison against insects. It can be attached to the bedstead in less than two minutes, and can be taken down in an equally short space of time; yet while it affords the protection sought, it is a beautiful and durable ornament. Particular care is taken in its construction. It is indispensable to invalids not only by night but during the day.

W. STRATION.—Sole agent for the Patent, New Chambers street, N.Y.
